Website

In a previous meeting (the one in Malta) Greece proposed to hire a professional web designer, but due to the costs partners from Poland said no to the proposal. Also because of that the website is still not complete.

After a discussion on what should/ should not be on the website, some changes were decided.

- Contact database should not be on the website
- Malta and Greece will change the courses that are already on the website.
- There will be a link, on the website to all the videos and the press stuff

Spain will send an email, by Monday 9th of February , with all the changes that were approved in Gerace

All the documents (for those there's no need of translation) will be ready for the final meeting.

E-tool

The decisions already taken were discussed again. Partners decided that the tool will be a source where to find:

- Job opportunities links
- advices on how to create a CV
- Counselling tips

E-tool will be the main instrument fort mentoring.

DEADLINES

The partners has fixed the following deadlines for the tools and the project's activities

- **20th of February**: Malta will update the websites
- **End of February**: Production of outputs

FINAL MEETING

The final meeting is planned for the next 1th, 2th and 3th June 2015.

3^o Day - 06 February 2015
